

# YIHUA TFS-H/TFKX-H/TFW-H Marine Generator

TFS-H 8~50kW

TFKX-H 10~150kW

TFW-H 8~400kW

## **TFS-H 8~50KW** THRICE HARMONIOUS MARINE GENERATOR

TFS-H series marine third-harmonic excitation a.c.synchronous generators are designed to ship which are based on the STC series generators , with excellent electrical , reliable mechanical , strong and durable, easy for maintenance.

## **TFKX-H 10~150KW** COMPOUND EXCITATION MARINE GENERATOR

TFKX-H series marine compound excitation A.C. Synchronous generators are designed to ship which are based on the TFX series generators, with excellent electrical, reliable mechanical, strong and durable, easy for maintenance.

## **TFW-H 8~400KW** BRUSHLESS MARINE GENERATOR

TFW-H series marine brushless three-phase A.C. synchronous generators are designed to ship which are based on the TFW2 series generators, with excellent electrical, reliable mechanical, strong and durable, easy for maintenance.
